		Thong/Q Nguyen Prionaly Examiner Art Unit: 2872				

Continuation of 5. does NOT place the application in condition for allowance because: Kashima discloses that the dot pattern is formed on the rear surface of the light guide. As such, it would have been obvious to one skilled in the art to apply the dot pattern on the rear surface of the reflector. Applicant's arguments as provided in the request have been fully considered but they are not persuasive..
